

# Membership

Queensland Cane, Agriculture and Renewables (QCAR) is a member-based organisation that is dedicated to delivering profitable and positive outcomes for Queensland's broadacre growers.

## Vision

Trusted first-choice service partner for agriculture farmers.

## Mission

To advocate for and empower Queensland's agricultural producers by fostering sustainable farming practices for a prosperous future.

## Footprint

QCAR's members are located along the Queensland coastline, from Gold Coast in the south to the Daintree in the north.

## BENEFITS

### Collective Advocacy

QCAR unites businesses and individuals from the cane and agriculture industry, amplifying your voice and concerns in front of regulatory bodies, government agencies and other stakeholders.

### Expert Representation

As a member you're represented by a team of experienced professionals who understand first hand the intricacies of the industry and work on your behalf to advocate for favourable policies and regulations.

### Issue Resolution

QCAR serves as a platform where you can bring your challenges, issues and concerns related to your business or the agriculture sector. Through collaborative efforts, QCAR works towards resolving these issues effectively.

### Streamlined Payroll

We streamline the payroll process, ensuring that your farm employees are paid accurately on time, no matter how complex your payroll may be.

### Industry Insights

Stay updated on the latest developments and innovations in the cane and agriculture sectors through QCAR's resources and communication channels.

### Positive Outcomes

By being part of QCAR, you contribute to driving positive outcomes not only for your business but also for the collective growth and advancement of the industry.

### Influencing Policy

Through QCAR's advocacy efforts you have the chance to influence policies that impact you, ensuring that regulations align with the needs and aspirations of businesses and individuals.

### Insurance Protection

Rainwater Perils Insurance and Accidental Fire Insurance designed to protect from the financial implications of damages caused by excessive rainwater and the unexpected occurrence of fires that result from non-intentional causes.
